

## TEA FOR THE SEASON

### Assam Hattiali

*This Indian tea from Assam is one of the world's oldest varieties. It comes from the city of Margherita, named after a former Italian queen. The well-shaped fine leaf with its golden tips develops a dark cup and strong flavour with lasting effects.*

### Russian Caravan

*This blend of Keemun and oolong teas recalls the ancient trading routes that brought tea to the Tsars, transported from China to Russia in a 'caravan' of camels. Its light, almost nutty flavour and distinct character evoke the grandeur of Imperial Russia and its rulers' passion for really superior tea.*

### Yellow Sun

*This smooth, subtly smoky and distinctly nutty variety from the Anhui Province, crafted according to a technique developed over centuries, delicately roasted notes, mellow sweetness and light levels of oxidation place it in a class of its own.*

## BLACK TEA

### The Angel Afternoon Blend

*This delicious afternoon blend is balanced by aroma, colour and body. This blend has been carefully crafted for The Angel Hotel and includes teas from the misty hills of Ceylon and the lush estates of Assam in India. Classic and robust, this rich blend makes a strong cup and may be enjoyed with milk.*

### Assam Mangalam

*The perfect Assam breakfast tea from the renowned Mangalam Estate. Rich, malty and spicy-flavoured tea. Encouraged by good production results on the tea plantation Manjushree, in 1973 the owners decided to create the Mangalam Tea Estate. Our Assam Mangalam has large leaves and lots of golden tips.*

### Yunnan

*This black tea is from the rich soil of China's Yunnan province creating best conditions for this bold and full-flavoured black tea. The taste combines rounded caramel sweetness with a smooth long lasting finish of spice; ginger, nutmeg and cloves.*

### Java-Hong Ca

*The Hong Ca is made from 'Sukui Clone', a tea cultivated and produced on the small, private tea plantation in Sukabumi in western Java. This infusion unfolds a fresh fruity bouquet with an earthy note. It goes well without milk.*

## SPARKLING

## SCENTED BLACK TEA

Complex and intense in flavour. Scented black teas are combined with flowers, fruit and spices to enrich and enhance the aromas and natural flavours of the camellia sinensis leaves.

### Staunton Earl Grey

*A blend of black teas from India and Sri Lanka. One of our most sophisticated teas on our menu, based on the authentic Earl Grey recipe, blended with the finest Neroli and Bergamot oils.*

### Lapsang

*To give this tea its rich and smoky flavour the plucked leaves are withered over pine fires, pan-dried and rolled, then placed in bamboo baskets and smoked, resulting in a smoky and evocative flavour.*

### Karac

*A blend of ginger, natural spices and peppercorn, cardamom, cinnamon, cloves. This strong black tea has a unique taste and dusky, honey-hay flavour. Enjoy with hot milk and sugar.*

### Heart of Persia

*The king of spices, saffron, is the key ingredient. Hints of this distinctive spice accent a selection of sweet and exotic fruits and flower petals brought together with a delicate single estate Ceylon tea. Best enjoyed without milk.*

## PU - ERH

Is called 'black tea' by the Chinese and was exclusive to China for centuries. Named from the market town where the teas have been traded for hundreds of years, Puerh teas have an earthy mature character.

### Imperial Pu-erh

*Produced from the tea bushes nurtured in the rich soils of Pu'er city in the Yunnan Province of southern China. This is a rich and complex tea that has a strong earthy fragrance with smooth woody notes on the palate. Known to aid digestion, this is an ideal tea to savour after a rich meal.*

## GREEN TEA

Bursting with vibrant grassy flavours, generally described as 'unoxidized' teas, no chemical change occurs during their manufacture.

### Organic Dragon Well

*This healthy Chinese tea is rich in antioxidants, full of grassy freshness with a sweet undertone. It is best enjoyed with a squeeze of lemon or drizzle of honey.*

### Gyokuro

*This truly extraordinary Japanese tea generates a bright green, almost luminescent infusion with a wonderfully smooth, sweet and creamy taste – we'd compare it to freshly shelled peas, lightly steamed and coated with melted butter.*

## FRUIT TEA

Fruit steeped in hot water. May contain caffeine. Usually taken straight.

### Peonies and Berries

*This is a grand combination of berries and figs. One side is sweet, fruity and nippy, the other is soft and mild. Both are in perfect unity on a green tea base with plump, glowing berries, snappy fig pieces and lime-light seeking peony petals.*

### Green Peach

*A traditional blend of Sencha green tea, dry fruit pieces and sunflower blossoms. A light flavoured and refreshing green tea with hints of peach.*

### Mango Twist

*A delicious blend of fresh green tea, rich black tea and whole mango pieces. Sweet, lightly spicy and refreshing.*

### Wild Cherry

*Cherry is a dark red beverage with an intense fruity flavour whose colour resembles ripe cherries light scented.*

## WHITE TEA

Lightly oxidised, harvested from the buds and leaves of the Camellia Sinensis plant. The name derives from the silvery white hairs of the unopened buds on the tea plant.

### Jasmine White Tea

*A precious white tea from the Chinese Fujian province. Jasmine tea is made with the top grade and the most famous variety of white tea; silver needle. The soft buds of this white tea are gently scented with fresh jasmine blossoms. This tea is soft with a delicately sweet taste and mild jasmine fragrance.*

## INFUSIONS

Our herbal range is created using freshly picked and dried whole herbs and flowers. Naturally caffeine-free.

### Chamomile Flowers

*Egyptian. A floral infusion of whole flowers; a calming, fresh, light flavour. Adding a drizzle of honey brings out the flavour.*

### Lemon Verbena

*This refreshing tea is made from the cut leaves of pure lemon verbena. With a lovely rich lemon scent and flavour when infused.*

### Turmeric Gold

*This infusion combines two types of gold: the Aztecs in the form of the most pure cocoa shells and the curcuma root: golden curcumin. This blend is refined by the addition of ginger root and is finished with fennel, aniseed and vanilla flavours.*

### Ginger Tea

*Ginger and lemon creates an invigorating balanced infusion which is smooth and refreshing. It is light, refined and perfectly balanced to finish the afternoon.*

### South African Rouge

*A plant infusion from the South African red bush, very high in antioxidants. It is accented with refreshing cranberry and orange notes. Best enjoyed without milk.*
